

ELECTRONIC COMMUNICATION CONSENT FORM

The Board of Directors (“Board”) of Adeste Condominium Association, Inc. (“Association”) strives to effectively communicate all relevant information with homeowners and other registered residents. In order to better serve the community, the Board offers each resident the opportunity to receive communications in either electronic format (via email) or hard copy (via United States Postal Service).

In accordance with Rule 61b-23.0029 of the Florida Administrative Code, the Association will provide all pertinent communications in hard copy unless a resident agrees to receive electronic communications. This form allows residents to opt out of hard copy communications, except for those required by Florida Statute to be provided in hard copy, and to only receive communications in electronic format going forward. If a resident has not filled out this form, they will continue to receive all pertinent communications in hard copy.

Homeowner Name: _____

Property Address: _____

Email Address: _____

I agree to receive all communications from the Association, either directly or on behalf of the Association by the current Property Manager, in electronic format utilizing the email address provided above. Those communications that the Florida Statutes require to be provided in hard copy will continue to be hand delivered or sent via United States Postal Service.

Homeowner Signature: _____ Date: _____
